Then arose their commander, and spake from the steps of the altar. Holding aloft in his hands, with its seals, the royal commission. "You are convened this day," he said, "by his Majesty's orders... Painful the task is I do, which to you I know must be grievous. Yet must I bow and obey, and deliver the will of our monarch; Namely, that all your lands, and dwellings, and cattle of all kinds, forfeited be to the crown; and that you yourselves from this province be transported to other lands. God grant you may dwell there. Ever as faithful subjects, a happy and peaceable people! "

"Prisoners, now I declare you; for such is his Majesty's pleasure!"

Silent a moment they stood in speechless wonder, and then arose louder and ever louder a wail of sorrow and anger.
