

**The Protestant Families of Quebec City
from 1759 to about 1867
The British, Scottish., American, Irish, Welsh,
Germanic families of Trois-Rivières (Three Rivers)
from 1767 to 1875**

**British, Scottish, Irish, American, German, Swiss, Portuguese
families who were members of the early Anglican and
Presbyterian churches of the city of Québec**

I have reproduced the spelling of family names as they appear in documents kept at BAnQ Vieux-Montréal. The spelling in many cases does not match the present-day spelling of said families, but many in the 1850's and beyond were well educated leaders from British Isles colleges and universities and as such, the spellings might be correct and reflect the true family names of the period in England, Scotland, Ireland and Wales, plus those from Continental Europe who served in Québec city from 1760 to about 1850.
